Iron 10.00mg 58%

* Percent Daily (DV) tells you how much the nutrients in one serving contribute to your daily diet.

Calories per gram:

Fat 9 • Carbohydrate 4 • Protein 4

Is vegetable powder as good as fresh?

Green powder is not a substitute for a balanced diet, nor for the nutritional benefits you get from eating whole foods. However, doctors say green powders are a great way to supplement a healthy diet and add extra vitamins and antioxidants.
