Detail Introduction :

Dried spinach is made from chopped whole fresh spinach leaves and dried to preserve their vibrant green color and mild spinach flavor.

Our dehydrated spinach is available for customization into flakes, granules, or powder.

Before dehydrating, the spinach is thoroughly washed and cut. The entire process is strictly controlled and monitored to ensure the quality of our products.

It can be available in the form of flakes and powder.

Dried spinach is an incredible source of vitamins, minerals, protein, antioxidants, and other essential nutrients.

Dehydrated spinach flakes are 100% natural without additives. It is Non-GMO.
