Detail Introduction :

Dehydrated sugar snap peas are used in a variety of applications, including fast food, instant noodles, bakery, seasoning mixes, salads, sauces, soups and stews, pasta products, chips and snacks, cheese and dairy products, meats, and sausages, ready to eat food meals, pet food and more. Our facility is an FSSC22000 certified operation.

Freeze-dried pea pods consist of high-quality, freshly harvested, mature sugar-crisp pea pods that have been cleaned, trimmed, precisely cut, and freeze-dried. The product is not grown from genetically modified seeds. After the final drying step and packaging, the product is inspected and passed through magnets, metal detectors, and X-ray detectors to remove ferrous and non-ferrous metal contaminants. This product is FDA approved and complies with current Good Manufacturing Practices, and this product is HACCP, ISO, Kosher, Halal certified.

Our freeze-dried peas are available in different forms: flakes, granules, minced, powder, etc. We can customize the shape you want when required.
