about 12 months

**MIXED FRUIT - COMMERCIALY FROZEN**

Properly stored, frozen mixed fruit will maintain the best quality for about 12 months in the freezer, although it will usually remain safe to eat after that.

Can you blend frozen fruit without defrosting?

Yes, you can eat frozen fruit without defrosting it. These are nice eaten as they are, straight from the freezer if you like. Using frozen fruit in a blender for smoothies is good, as is using it for blending into ice cream recipes. However, some fruit goes really hard, and apples go a bit chewy.
